

JUNK MODELLING CHALLENGE

This coming Sunday is Palm Sunday when in church we remember Jesus's Triumphal Entry into Jerusalem (Matt 21:1-11) during Easter Week.

This week, why not complete a Junk Modelling project and we'll share the creations on Sunday and on the website. Email photos to me phil@allsaintsweston.org.uk.

Why not...

- A. Create a donkey (maybe with Jesus sat on top).
- B. Make a donkey mask.
- C. Create a whole Jerusalem scene.

Or...

- D. Just let your imagination run wild and create anything.
