All Saints Church Weston Bath
Community Facilities Assistant
Job Pack

Our mission: Sharing the life and message of Jesus
with the community of Weston, Bath and beyond

PARISH PROFILE

All Saints is a thriving Church of England church based in Weston on the outskirts of Bath. We have 3 services every Sunday, midweek services, special events and over 250 members. We are excited to be entering a new season of ministry following the extensive refurbishment of our main church building and looking forward to further growth with many more people becoming Christians and newcomers joining the church.

Weston is a community of around 10,000 people in the suburbs of Bath with a large hospital, two primary schools and a secondary school within the parish. All Saints is made up of people of all ages including lots of children, young people and younger adults but there is huge potential for growth in all areas and a commitment to see Jesus honoured in every generation.

The Church refurbishment project has taken 10 years to plan and a year to undertake and was completed and ready to open for services and community use on 1st September 2024. Completion of this work means that we now have another community building that can be used throughout the week.

Our core values underpin our mission and guide our staff appointments – we believe that Church is family, rooted in God’s Word, empowered by His Spirit, making Disciples of Jesus through both words and actions. We are also committed to our safeguarding and safer recruitment policies, ensuring that we are protecting children, young people and adults.

All Saints Centre, refurbished in 2001, provides a place for many church and community groups as well as commercial and private lets such as wedding receptions.

All Saints Church dates from the medieval period but was substantially rebuilt by the early Victorian era. The completion of our refurbishment project in 2024 now brings the church building firmly into the 21st Century with much improved facilities and more flexibility with regard to its use.

Weston Hub is the former council owned and run Children's and youth centre, known previously as Centre 69. All Saints took control of the building at the start of 2018 and have built it into a busy and vibrant all age community centre. All Saints Welcome Café and Food Club runs out of this building and we hope to build on these type of community support activities running from this building.

The former infants school needs major refurbishment work and its future use in the community is currently being debated by the PCC.

19 Chandler Close, is a modernish end of terrace house.
